Imagine Sanford – Design Concepts Town Hall Meeting Help Shape the Future of Sanford

It's a community-based vision and strategic plan for the City of Sanford. The Imagine Sanford team has listened to your ideas and values throughout the fall and winter. Now, City staff, the project consulting team, (Renaissance Planning Group) and the Steering Committee are turning them into design and policy concepts. The upcoming meeting will focus on applying these values and design concepts to six distinct target areas throughout the City for development and improving the connections between them.

The City needs your help to review and respond to the concepts. After all, they are based on your input and we want to make sure they are consistent with the community's values.

The City invites everyone to attend and share their comments and ideas at the town hall meeting.

If you cannot attend the meeting, you can still be involved through **the project website**, www.imaginesanford.com. Please share your thoughts and find out what other people are saying. You can also view and comment on recent project work, such as draft community values, a map of target areas for new development, and more.

What: Design Concepts Town Hall Meeting

Date: Thursday, January 31

Time: 7:00 – 9:00 PM

Where: Sanford Civic Center, 401 E. Seminole Blvd.
